

The Scottish Wild Beaver Group presents:

# Scottish Beaver Conference

## “The Necessary Beaver”

With a variety of speakers from across the UK and beyond exploring:

- the history and ecology of the beaver
- their role in river catchment management and flood prevention
  - how beavers improve wetland biodiversity
    - beaver ecotourism benefits

A ground-breaking conference of interest to wildlife enthusiasts and land managers, in a landmark year for Scottish wild beavers

**Saturday 28<sup>th</sup> March 2014**  
**Dunkeld Hilton, Perthshire**
